

What's special  
about Juice Plus+  
Omega Blend?

#### RECOMMENDED CONSUMPTION

Take **two capsules** every day with a meal and a glass of water.

## Juice Plus+ OMEGA BLEND

### KEY FACTS

- » 100% vegan
- » A unique blend of **minimally processed** plant oils which provide Omegas 3, 5, 6, 7, & 9
- » Omega-3 from algae, not fish
- » **Scientifically proven** benefits of DHA and EPA
- » NSF certified
- » **Gluten-free**

### ADDITIONAL INFORMATION

- » Juice Plus+ Omega Blend contains a variety of omega fatty acids in the form of carefully processed **plant oils** from: algae, pomegranate seeds, sea buckthorn berries, raspberry seeds, safflower seeds and tomato seeds.
- » Juice Plus+ Omega Blend is not derived from **fish**. Pure, sustainable, vegan: we skip the fish and go straight to algae, **the true source of omega-3 fatty acids EPA and DHA**.
- » **The perfect blend of nature and innovation.** Using state-of-the-art technology, the precious oils are encapsulated in a vegan capsule made from tapioca starch. We fill and seal the capsules **without using heat** which allows the nutrients to remain intact and the oils to stay fresh longer. The bubble you see in each Omega blend capsule is actually nitrogen, put there to protect the oils from oxidation.

### GOOD TO KNOW

- » **DHA and EPA** contribute to the normal function of the heart\*
- » **DHA** contributes to the maintenance of normal vision
- » **DHA** contributes to the maintenance of normal brain function

### QUALITY STANDARDS

- » Juice Plus+ Omega Blend capsules are **certified by NSF** to ensure they meet and exceed strict guidelines for quality and safety.
